What is Accelerated Reader?

This reading program will help you raise your literacy levels. By reading for 20 minutes every day you will improve your literacy in all your subjects.

How does Accelerated Reader work?

Each term you will take a short Star Reading test to get your book level and to see if your reading level is improving. This test will always be in a computer room under test conditions.

The result of your test will give you a Book Level Guide – it will have a colour on the spine.

Your teacher will help you choose a book for your level. After reading the book you take a short quiz on it – you need to score 85% to pass and get points. POINTS = PRIZES!

When do I use Accelerated Reader?

Twice a week in tutor time you will read your book. Once a week you will have an English lesson in the library dedicated to Accelerated Reader. You should also read at home and during any spare time at school.

Can parents get involved?

Your parents will be able to login online and see just how well you are doing: how many books you have read, how many quizzes you have taken and your results.

What's in it for me?

Obviously you'll feel great when your levels go up but during the year there'll be great prizes for individuals, tutor groups and English classes. See the rewards page in the reading log!

REWARDS!

- Can you read a million words in a term? Did you know all of the Harry Potter books together contain over a million words? Reading just 10 books could mean you've read a million words in a few weeks.
- How many books do you need to read to reach your height?

At the end of each half term there will be rewards of merits, books, stationery, vouchers, certificates for individual students.

At the end of the year there will be **BIG individual rewards** for:

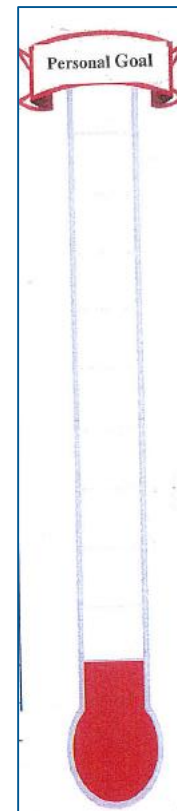

- The student who has read the most books
- The student who has made the most progress in Book Levels
- The student who has read the most words
- The student who has passed the most quizzes

Team prizes for

- The English class who took and passed the most quizzes
- The Tutor Group who took and passed the most quizzes

These rewards will include visits to the cinema, theatre, pizza parties, vouchers.
