# Taking a STAR Reading test

If you have never taken a STAR Reading test before, it will begin with some practice questions.

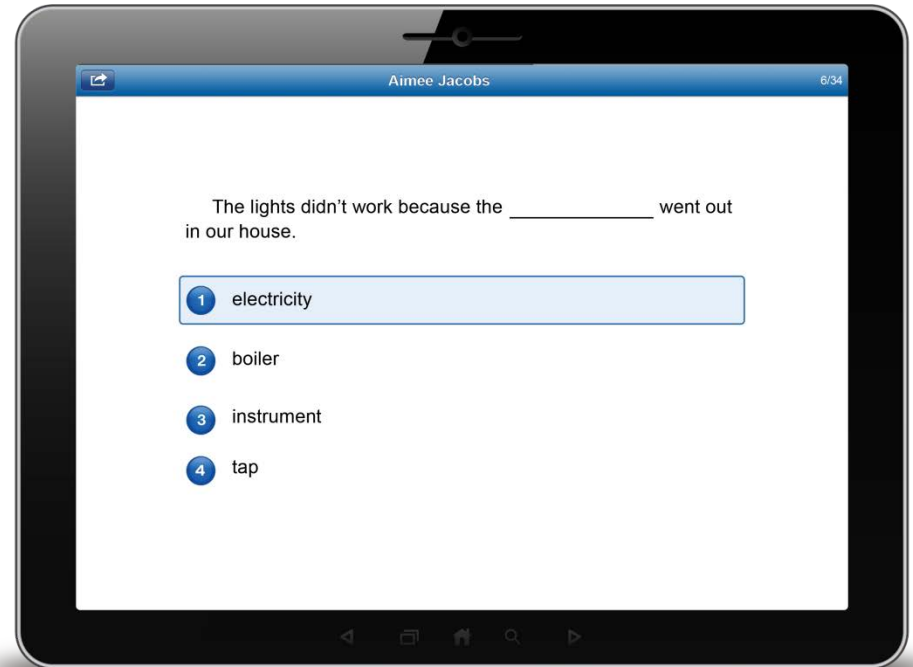

# Taking a STAR Reading test

- You can pick your answer by:
  - Clicking the correct answer with your mouse
  - Pressing the correct number on your keyboard
  - Tapping the correct answer on your iPad screen... and then pressing “Next”
- You will have to answer three practice questions before you begin the actual test.
- You will have 34 questions to answer during the test.

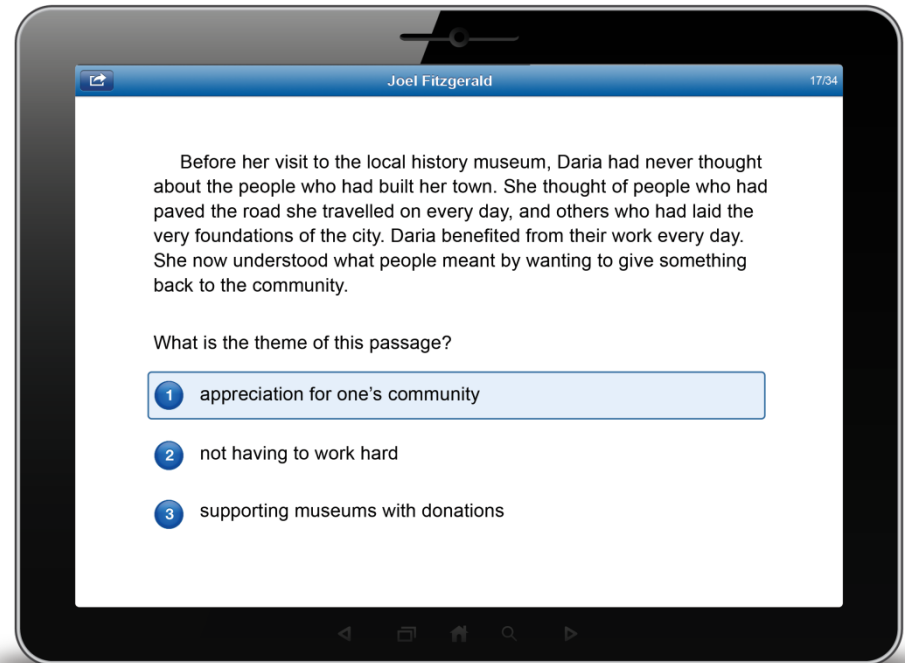

# Questions 1 - 16

The first 16 questions will ask you to pick the best word to fill a gap in a sentence.

# Questions 17 - 34

The other 17 questions will give you a few sentences to read and will ask you about what they mean.

# Taking a STAR Reading test

- There is a time limit to each question.
- You will see a warning when you are almost out of time.
- Don't panic!
- If you cannot answer a question, **do not guess**. Let the time run out and wait for the next question to load.

# During the test

- Do not talk to anyone
- Do not distract anyone
- Do not try to help anyone
- Try your best to pick the correct answer, but do not guess
