

RENAISSANCE

Reach all your pupils at *their own level*

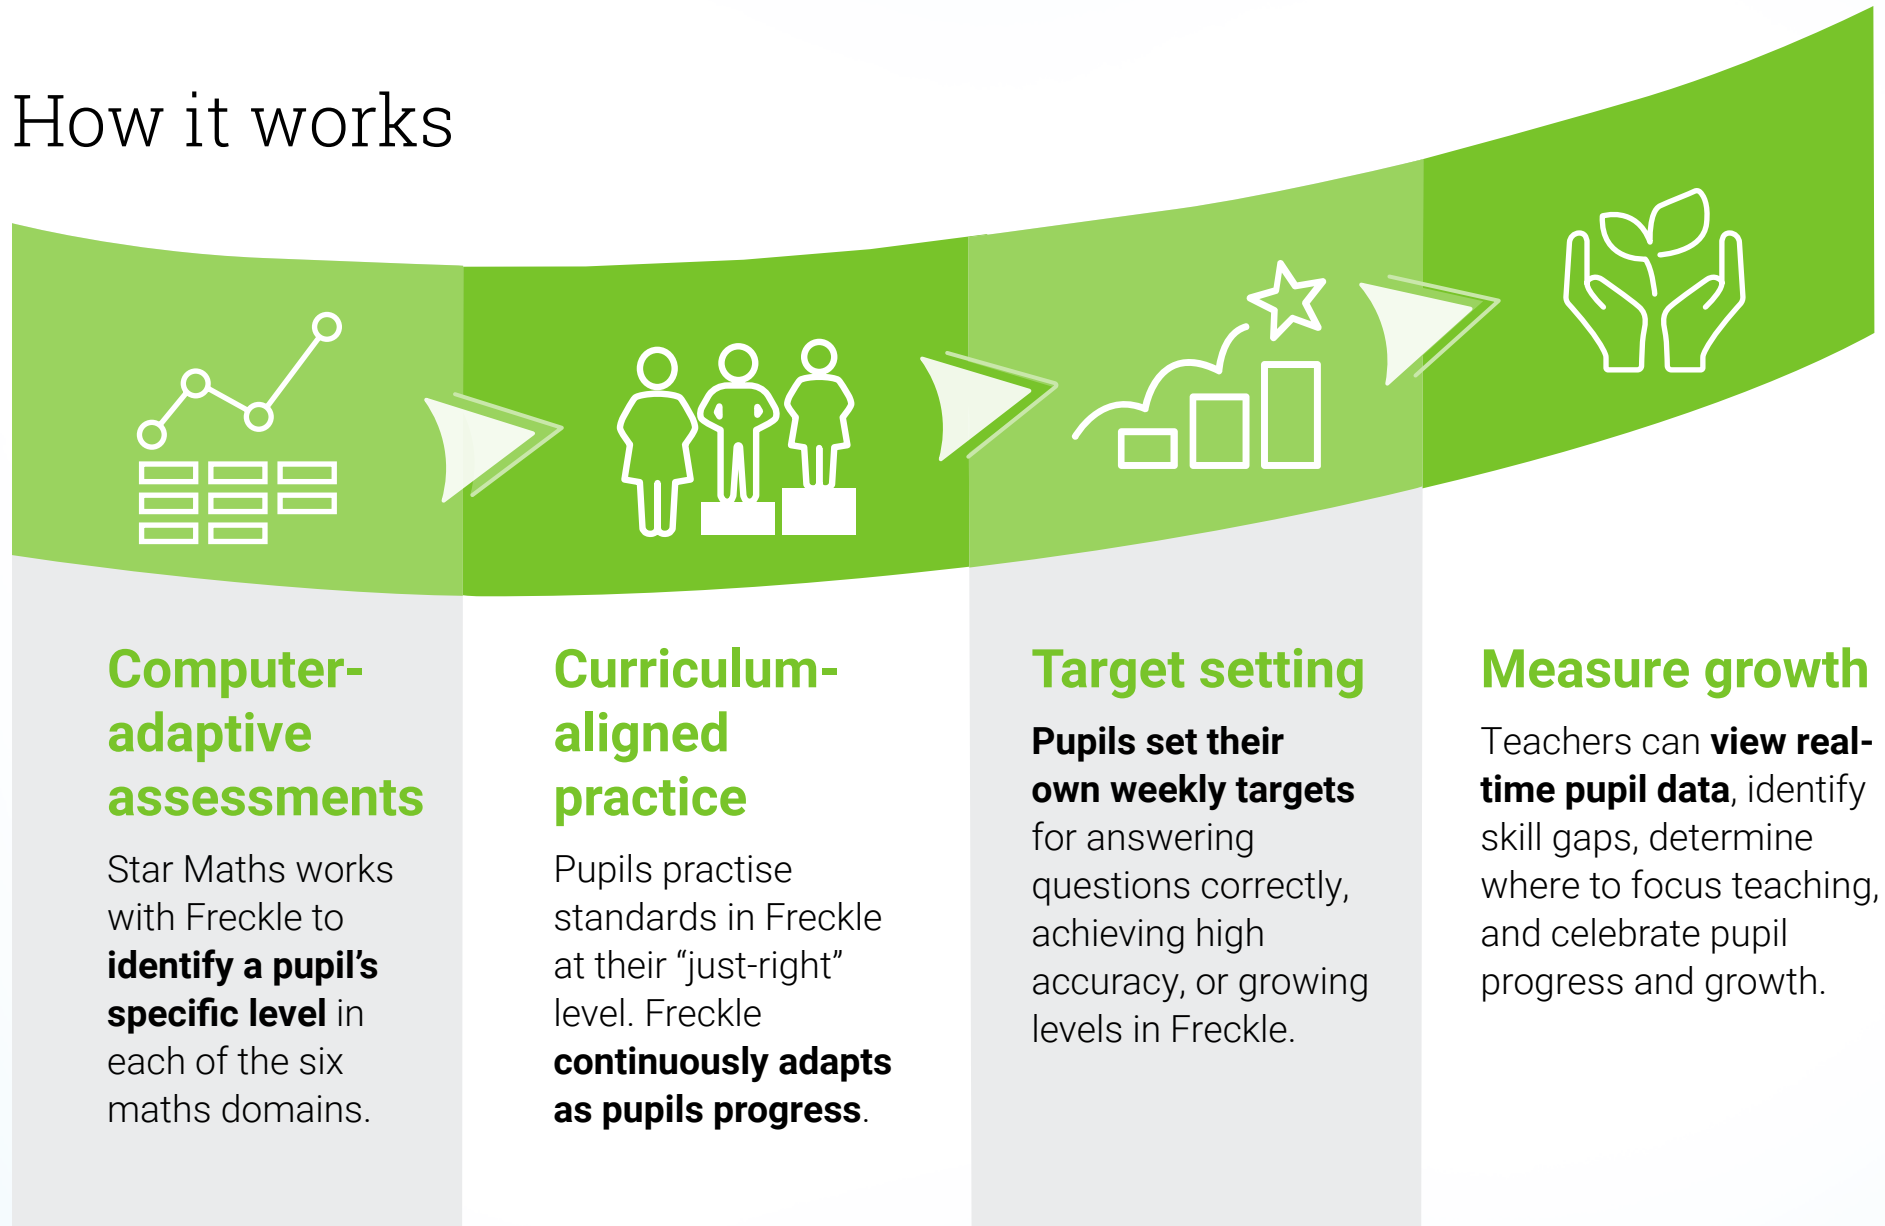

Freckle

When pupils have access to practice *designed just for them*, there's no limit to what they'll discover—and what they can achieve.

Just-right practice to inspire every learner

How it works

Motivate pupils to reach their full potential

Differentiated

Continuously adapts for pupil practice in maths while offering teachers the ability to focus practice on specific maths objectives aligned to the English National Curriculum.

Engaging

Adapts at the “just-right” level with **pupil-friendly incentives and age-appropriate designs** to provide a balance of learning and fun.

Insightful

Gain real-time **insight into pupil performance and progress** with actionable practise data that recommends the next best skills to practise.

Effective

Use **Focus Skills™** to build the foundations for learning so that pupils understand the most critical mathematical concepts.

Differentiated

Engaging

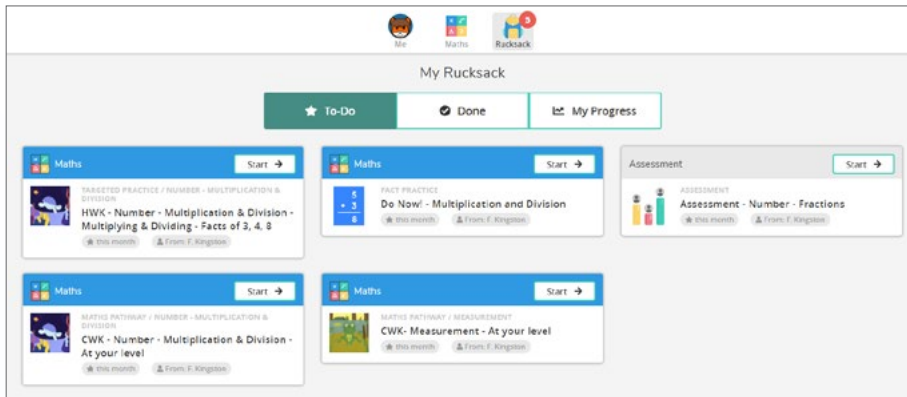

Insightful

Effective

Excite and challenge pupils with lessons that are perfect for them

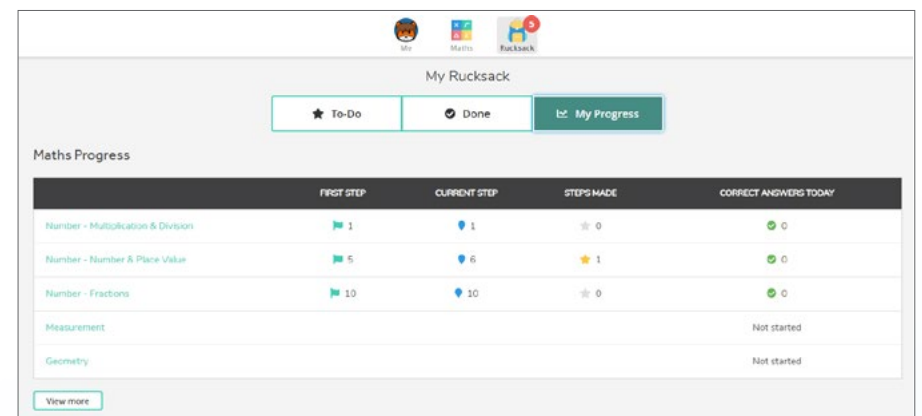

Assign differentiated maths activities – ready to go!

Select from the six Maths Domains so that pupils can carry out **Adaptive Practice** to place them perfectly on their own maths pathway. Support pupils further with **Targeted Practice** both at school and at home. Design specific **Assessments** to measure pupils' progress and to suit the delivery of your curriculum.

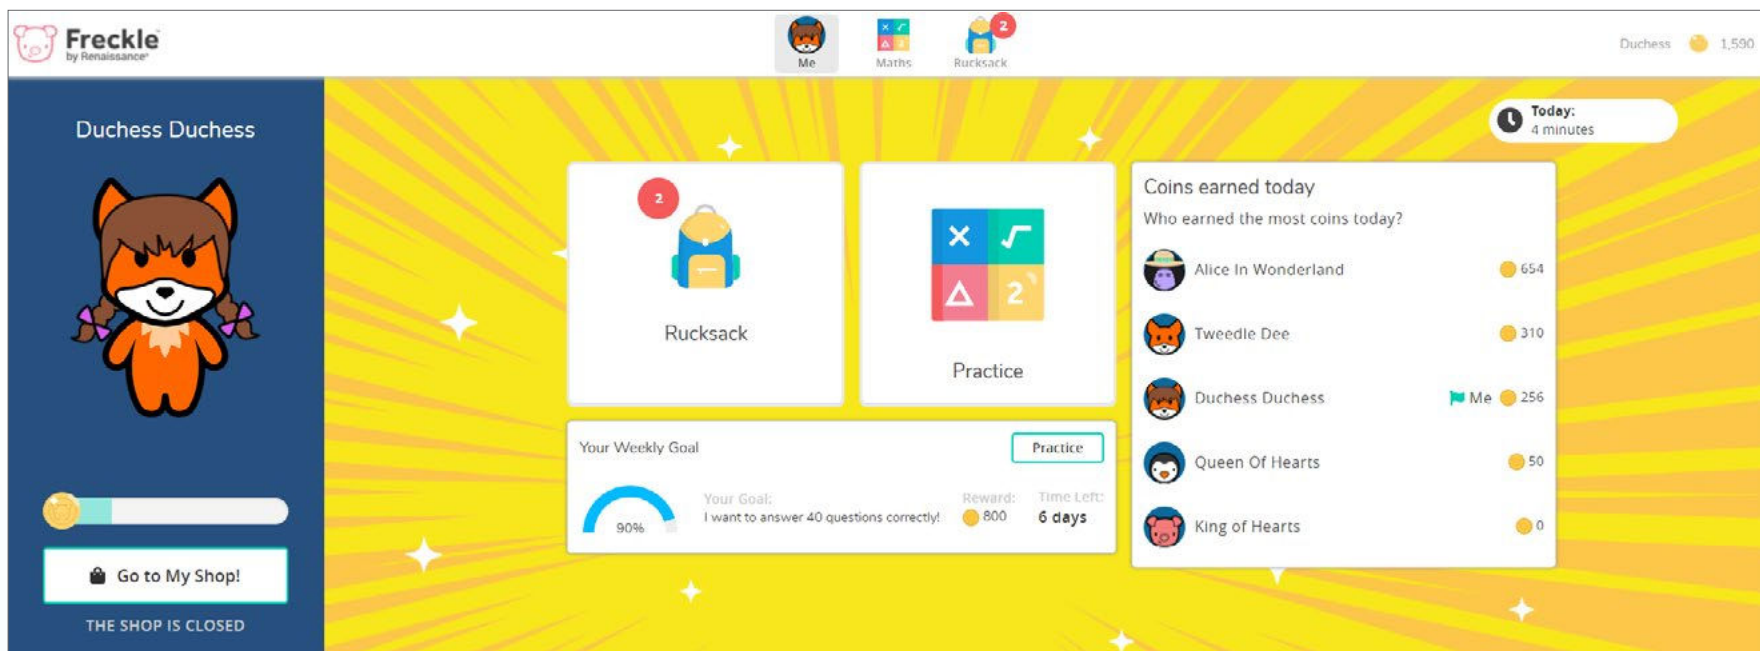

Freckle encourages pupils to track their own progress

Pupils can see how many steps they have made along their personalised maths pathways. They know their starting points for each Maths Domain. Correct answers are recorded for that day which motivates them to **improve and build on that success the next time they practise.**

Balance learning and fun with pupil-friendly incentives and age-appropriate designs

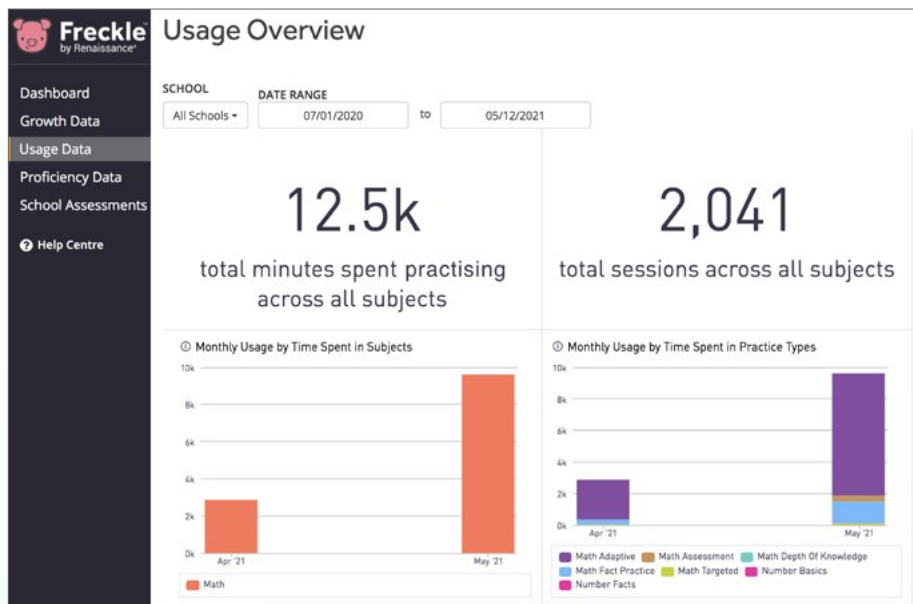

Inspire greater pupil engagement

Freckle offers over 50,000 maths questions to connect pupils to exciting content at their own level. In addition, Freckle engages every pupil by rewarding their achievements and delivers an age-appropriate experience that grows up with them.

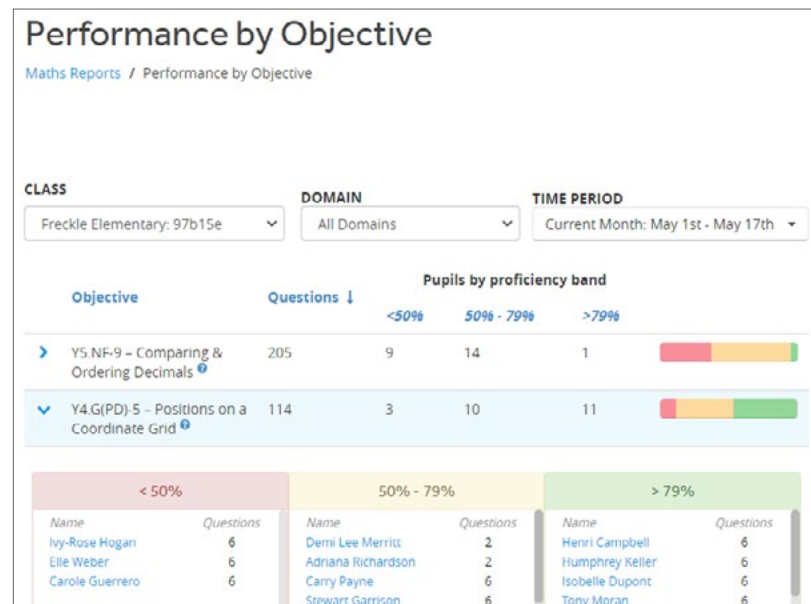

Pinpoint knowledge gaps and determine where to spend targeted time

Usage, proficiency, growth and more

The administrator dashboard presents class- and school-level insights on usage and pupil growth to support trust-level initiatives and targets.

Make the most of every learning experience

View all pupils' current proficiency levels for each maths objective, helping you view objectives that pupils have mastered and ones that they need to continue working on.

Measure the impact of practice as pupils grow in maths

Experience meaningful pupil growth with Freckle

In the 2019–2020 school year, pupils who used Freckle for 15–30 minutes per day experienced tangible growth. This positive outcome increased as pupils practised more than the recommended minutes per day and over a longer number of weeks during the school year.

Student Growth Percentile

BACKED BY RESEARCH

Freckle improves test scores and student outcomes. In the 2019–2020 school year, students who used Freckle for 15–30 minutes per day experienced tangible growth.

Choose to view just the Focus Skills for each year group

Freckle will identify the most critical skills to learn because these serve as a foundation for skills taught in later years.

Maths Objectives

What are you teaching this week?

Search math skills or objectives (e.g. "multiplying & dividing fluently with facts" or "Y4.NMD-1")

BROWSE BY YEAR

Y1 Y2 Y3 **Y4** Y5

☐ No data ☐ Working toward proficiency ☒ >70% of class is proficient ☒ Only show * Focus Skills

Number - Multiplication & Division

- ☐ Y4.NMD.1 - Multiplying & Dividing Fluently with Facts*
- ☒ Y4.NMD.2 - Multiplying & Dividing Mentally*
- ☐ Y4.NMD.4 - Multiplying with Multiple Digits*

Measurement

- ☐ Y4.M.2 - Measuring Perimeter - Rectilinear Figures*
- ☐ Y4.M.3 - Counting Area with Squares*

Number - Number & Place Value

- ☐ Y4.NPV.1 - Counting in Multiples - 6, 7, 9, 25*
- ☐ Y4.NPV.2 - Finding 1,000 More or Less*
- ☐ Y4.NPV.4 - Place Value in 4-Digit Numbers*
- ☐ Y4.NPV.6 - Representing & Estimating Numbers*
- ☒ Y4.NPV.8 - Solving Problems with Larger Numbers*

Get the most out of Freckle wherever practice happens!

Gryphon

NAME	SCORES	TIME PRACTISED	QUESTIONS	LAST PRACTISED
> Tweedle Dee	Great	38 min	24	Maths Adaptive Practice
> Duchess Duchess	Great	56 min	42	Maths Assessment
> Cheshire Cat	Good	28 min	30	Maths Number Basics
> Alice in Wonderland	Good	12 min		
> King of Hearts	Good	1 hr 30 min		
> Caterpillar	Good	8 min		
> Lory	Good	1 hr 12 min		

Freckle meets pupils where they are with an improved experience on mobile devices, making it easier to practise, either in-person or remotely.

Teachers see smart recommendations in Freckle to guide them to the best follow-up action for each pupil.

Teachers can see when pupils are actively practising to ensure pupils are getting their practice in each day.

PUPIL	TIME COMPLETED	TIME PRACTISED	SCORE	SUPPORTED
King of Hearts	11 May, 2:35 PM	12 min	100%	✓
Duchess Duchess	11 May, 2:15 PM	16 min	70%	✓
March Hare	11 May, 2:48 PM	9 min	70%	--
Cheshire Cat	11 May, 2:55 PM	8 min	40%	✓

RETEACH THE BASICS

1 pupil struggled with this standard.
